

# NATIONAL MANUFACTURING DAY 2022

Photocentric

**Company Name:** Photocentric Limited

**Company Address:** Cambridge House, Oxney Road, Peterborough, PE1 5YW

## OUR NATIONAL MANUFACTURING DAY

**Overview:** Photocentric is the inventor of LCD-based 3D printing, and an award-winning specialist resin and 3D printer manufacturer. It has a vision of enabling custom mass manufacture with its innovative 3D printing technologies. Photocentric is a patent holder in visible light curing technologies and specialises in photopolymerization - manufacturing an innovative range of photopolymer resins.

**How we will be involved with National Manufacturing Day:** To be confirmed
