

NATIONAL MANUFACTURING DAY 2022

Company Name: Atec Engineering Solutions

Company Address: Units 10/11 Shield Drive Wardley Industrial Estate Worsley,
Manchester M28 2QB UK

OUR NATIONAL MANUFACTURING DAY

Overview: Atec Engineering Solutions are based in Worsley, Manchester and specialise in delivering expert solutions for high reliability and safety critical products and systems for over 50 years. Our core capabilities include, obsolescence management, build to print, design and manufacture and complete MRO. We operate heavily in the defence, nuclear and oil and gas industries.

How we will be involved with National Manufacturing Day:

We will be hosting a tour of the facility, along with live demonstrations of some of our equipment including a 3D printer. We will also host sessions with our apprentices, engineers, and managers to give our attendees the opportunities ask questions, and also to provide some more information of the routes to available to have a career in Manufacturing and Engineering.

Date & Time: 07/07/2022 | 10:00AM-15:00PM | Two sessions to be held:
Session one: 10:00am-12:00pm **Session two:** 13:00pm-15:00pm
