

NATIONAL MANUFACTURING DAY 2022

Company Name: Morgan Furniture

Company Address: Clovelly Road, Southbourne, Hampshire PO10 8PQ

OUR NATIONAL MANUFACTURING DAY

Overview: At Morgan we believe the design and manufacture of truly original, high-quality furniture is the result of passion, care, design integrity, experience, craftsmanship and an unfaltering dedication to quality. This commitment could not be realised without fully integrating the design and manufacturing processes. At our factory and studio in Hampshire we start the process with trees and finish with beautifully crafted chairs.

How we will be involved with National Manufacturing Day:

On NMD 2022 we will open our doors to members of the public and school children. We will offer tours of our factory and have regular demonstrations of our machinery where guests will have the opportunity ask questions of our staff. We have a virtual tour on our website. We will provide information of the school route and personal values required to gain employment at a manufacturer's such as ours.

Date & Time: 07/07/22 - 9:00AM – 4:00PM
