

NATIONAL MANUFACTURING DAY 2022

JJ Churchill Ltd
PRECISION ENGINEERING

Company Name: JJ Churchill Ltd

Company Address: Station Road, Market Bosworth, CV13 0PF

OUR NATIONAL MANUFACTURING DAY

Overview: JJ Churchill is a specialist engineering company with over 80 years of experience, demonstrating expertise in new product development, volume manufacture and spares. We are known for excellent Tier 1 supply chain management, working with advanced materials, geometries and technologies. We enlist the work of talented engineers to produce parts with superlative repeatability for the aerospace, power generation, diesel, defence, nuclear and med-tech industries. Our headquarters, which are based in the UK, sits on 1.6 hectares with the workshops covering 5,000m².

How we will be involved with National Manufacturing Day:

Presentations about the Company and a factory tour

Date & Time: Thursday 07 July 2022 | By appointment
