

# NATIONAL MANUFACTURING DAY 2022

WARREN  
SERVICES

**Company Name:** Warren Services

**Company Address:** 4 Fison Way, Thetford, IP24 1HJ | 2 Brickfields Way, Thetford, IP24 1HX

## OUR NATIONAL MANUFACTURING DAY

**Overview:** Warren Services is a 32-year-old family run sub contract manufacturing business. The Company has grown over the years and now has two factories covering 80,000 sq ft in Thetford, Norfolk. We have many blue-chip companies as customers and pride ourselves on retaining them. We are now making machines from design right through to complete manufacture. We currently have 125 employees and pride ourselves in training the engineers of the future.

### How we will be involved with National Manufacturing Day:

On NMD 2022 Warren Services will open our doors to members of the public, Businesses, Schools, Colleges, Universities and individual students. We will offer tours of our factory and have demonstrations of our machinery where visitors will have the opportunity to ask questions of our Staff and Apprentices. If this particular date does not suit you, please let us know and one of our team will always be happy to show you around our factories or answer any questions you may have about working in our sector. We will provide information on our very successful Apprenticeship programme through all Levels to Degree. We will have on the day a representative from West Suffolk College who delivers our training programme to answer any questions.

**Date & Time:** Thursday 07 July 2022 | 09:00 – 18:00
